Featured photographs are printed reproductions and should only be used as a guide, indication, or point of reference. Before making a purchasing decision always inspect actual samples at your nearest retailer. Colour and appearance can vary. Whilst every effort is taken to ensure the information presented is accurate and free from error, it is possible that some data may change without notice.

Specifications are subject to manufacturing tolerances and may be changed without prior notice. \* Please refer to our website [www.cleverchoice.com.au](http://www.cleverchoice.com.au) for warranty terms and conditions, product installation guidelines, care and maintenance guides, or to download product test reports. These documents are also available from your place of purchase.

\* All floor surfaces do require regular cleaning to remove dirt, grit, dust, sand, and other debris that could result in scratching and excessive wear. UV rays from direct sunlight can cause a change in colour, so rearranging rugs and keep sun-filtering blinds/curtains closed can prevent direct sunlight on the floor. This is not due to product failure and is not covered by the warranty.
